Abstracta's luxury, shapes unfold,  
Lines and circles, stories untold.  
In elegance draped, a visual delight,  
Abstracta's embrace, a symphony of light.

**ETHEREAL**

The background of the image is a complex, abstract geometric pattern. It consists of numerous overlapping shapes, including squares, rectangles, circles, and triangles, in various shades of green, teal, and blue. The shapes are arranged in a way that creates a sense of depth and movement, with some shapes appearing to be layered on top of others. The overall effect is a rich, textured visual field.

## Nature & Peace

You know some birds are not meant to be caged,  
their feathers are just too bright

Hope is a good thing, maybe the best of things,  
and no good thing ever dies.

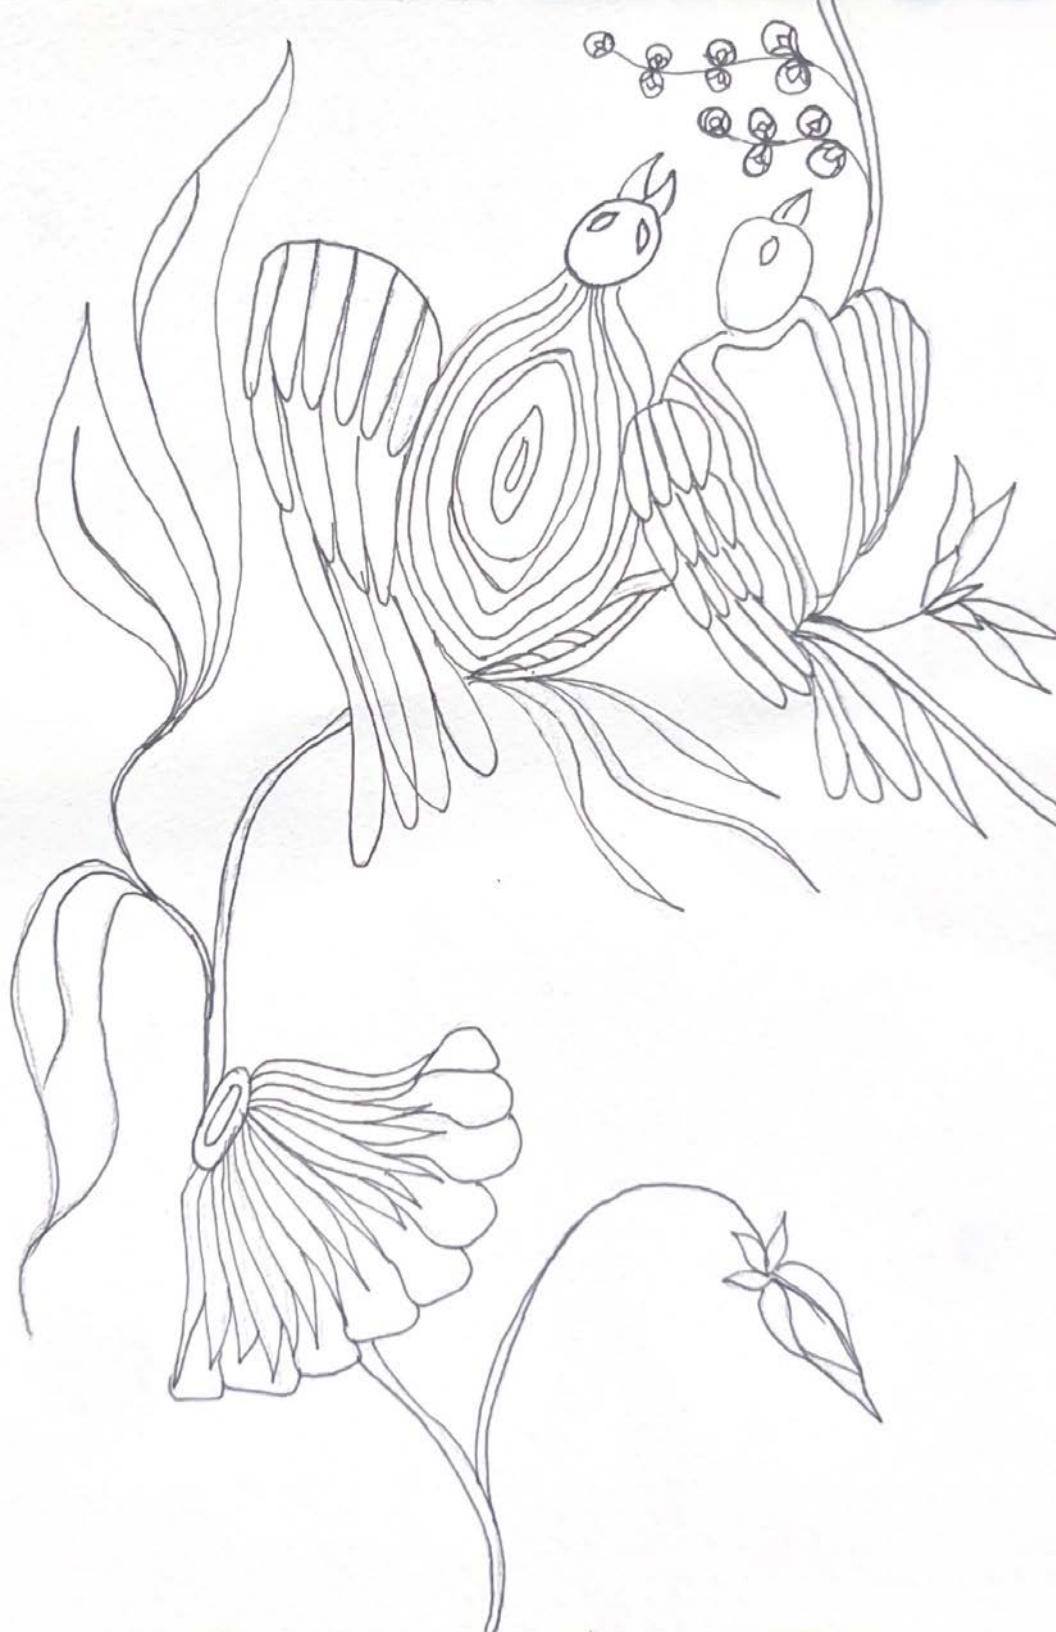

The image features a repeating pattern on a black background. The pattern consists of stylized yellow birds, likely doves, perched on thin, winding grey branches. The birds are depicted with detailed feather patterns. Interspersed among the birds are grey floral motifs, including large, bell-shaped flowers and clusters of small berries. The overall design is symmetrical and repeats vertically and horizontally.

AMOR

The background features a repeating pattern of light-colored line art. The design consists of various botanical elements: long, slender, pointed leaves on thin stems, and several flowers with multiple petals and prominent stamens. The pattern is dense and covers the entire page. In the center, the word "PETALS" is written in a bold, white, serif font.

# PETALS

The image features a repeating pattern of white flowers and leaves on a solid blue background. The flowers are stylized, with five petals and a central yellow center. The leaves are simple, elongated shapes. The pattern is arranged in a grid-like fashion, with flowers and leaves alternating in a regular sequence. The word "BLOOM" is centered in the middle of the image in a white, serif font.
